

object

```
graph BT; Agent[scripts.agents.navigation.agent.Agent] --> object[object]
```

A diagram illustrating a relationship between two objects. At the bottom is a gray rectangular box with a black border containing the text "scripts.agents.navigation.agent.Agent". A blue arrow points vertically upwards from the center of this box to the center of a white rectangular box with a gray border at the top, which contains the text "object".
